NUNN DESIGN SUPPLIES:

- 2 Metal Bead Faceted Round 4mm Antique Silver (mbr4-sb)
- 2 Large Jumping Antique Silver (ljrs-b)
- 1 Jumping Large Rope Circle Antique Silver (jrlc-sb)
- 1 Lobster Clasp 15mm Antique Silver (lc15-sb)
- 1 Jumping Grande Rope Circle Antique Silver (jgr-sb)
- 1 Charm of Choice

TOOLS NEEDED:

- 2 Pair of Needle Nose Pliers
- 1 Pair of Scissors
- A Ruler

STEP 1: (images 2 & 3)

Assemble your toggle and clasp set. Using your 2 pair of needle nose pliers, open one of your Large Jumprings. To open the jumpring be sure that the opening of the jumpring is positioned at 12 o'clock. Position one pair of needle nose pliers at 3 o'clock and the other pair at 9 o'clock. Simultaneously pull the needle nose pliers positioned at 3 o'clock toward you and push the needle nose pliers positioned at 9 o'clock away from you. This will allow the gap on the jumpring to open wide enough to thread your Large Rope Jumpring. Close the jumpring in the same way you opened it. Open your second Large Jumpring and thread on your Lobster Clasp. Close the jumpring.

STEP 2: (images 4 & 5)

Measure out 26" of 3mm Deerskin Lace. Using your scissors, cut each end of the Deerskin Lace at a sharp angle, this will make a point that will be easy to thread through the 4mm Faceted Bead. TIP: The black deerskin lace might need needle nose pliers to pull the leather through.

STEP 3: (image 6)

Thread one of the 4mm Faceted Beads onto the Deerskin Lace and tie a knot.

STEP 4: (images 7 & 8)

Thread your preassembled Large Jumpring and Large Rope Jumpring onto the Deerskin Lace and fold the Deerskin Lace upon itself. Using your ruler, measure from the edge of your Large Rope Jumpring 4" and tie a knot.

STEP 5: (images 9 & 10)

Using your ruler again, place your Large Rope Jumpring (now knotted onto the Deerskin Lace) at the 0 mark and measure 18" of the Deerskin Lace. Thread on the Large Jumpring with the Lobster Clasp. The Large Jumpring should be right at the 18" mark where it folds over and then knots.

STEP 6: (image 11)

Thread on your second 4mm Faceted Bead and tie a knot at the end.

STEP 7: (image 12 & 13)

Find the center of the assembled Deerskin Lace Knotted Necklace and attach the Grande Rope Jumpring.
